

Fort Collins Archery Association Presents

ARCHERY DAY

Date: JULY 9th 2011 Time: 9:00 am till 2:00 pm

Come join us with your family and be introduced to the sport of Archery. On this day FCAA Archery Range is open to the public to introduce them to the sport of Archery. We have several archery instructors that will be available to coach you and your children. We supply the targets, the bows, the arrows and the fun stuff to shoot at. Come and enjoy a day of archery at the Fort Collins Archery Associations Range. Just a reminder—there is a \$3.00 parking fee for the Fort Collins Parks & Recreation Department. A pay station is at the entrance, on the top of the hill, just before you get to the range.

Here is the map to the Fort Collins Archery Range.
