

THE BTB BROADHEAD

The Prez Sez

Greetings Bowhunters,

We finally received some much needed moisture on the plains and in the foothills to get some grasses growing and the mountains getting snow adding to the snow pack. Waterfowl are winging back north and I even saw a flock of sandhill cranes passing overhead.

Taking a hike north of Ft. Collins in the foothills, I found a couple of deer sheds. I believe Spring has sprung. I'm sure there are number of you chasing the wild turkey around and hopefully everybody got their big game applications mailed in.

The results of the applications for Colorado should start coming in around the end of April. Good luck to everyone on that.

Our March 3-D shoot was on the 28th with decent weather for the shooters. Everybody

seemed to have a good time and I made only a couple of hockey pucks out of the hamburgers.

Our last Saturday shoot will be **April 18th**. On Thursday, **April 30th** we will begin our weekly Thursday night shoots. Starting time for the Thursday night shoots is 6:30 p.m.

A couple of upcoming events to keep in mind; **May 2nd is Range Day Cleanup**. This is where we rebuild bales for our targets, repair, paint, spread gravel and any number of activities to maintain and improve our archery range. Any and all help would be appreciated. We will start around 8:00 a.m. and finish up approximately mid afternoon. Lunch will be provided.

Next, May 9th the DOW Youth Outdoors Skills Day is going to take place. In the past this has been a well attended, so again any help would be appreciated. Contact myself or Dennis Hansen if you have any questions.

Your fellow bowhunter,
Mike Fiscus

From the Secretary's Desk

Thanks to all of you, we're well on our way to achieving 100 % distribution of our newsletter by e-mail. This considerably reduces drop off and pick up time, the cost of CDs, printing fees and postage. If you haven't already forwarded your e-mail address to me, please do so at your earliest convenience. Thanks.
