## **The Prez Sez**

Greetings Bowhunters,

Just last month I commented on needing moisture. I guess I wished a little too hard because, for the first time in BTB history, we cancelled the a Saturday (April 18<sup>th</sup>) shoot due to rain and snow. My apologies go out to any member who may have come out unaware of the cancellation.

I am happy to announce a special Saturday shoot later this summer:  
**Saturday 3-D shoot, August 1, 2009 10:00 am lunch will be provided.**

Bring your hunting gear and camo and come out to get **tuned-up** for the hunting season.

Range clean-up day on May 2<sup>nd</sup> was a productive day. Target bales were rebuilt; new cone posts placed and two new target stations were built (50

and 60 yards). Thank you to all the volunteers and most especially Dennis Hansen, range director.

The May 9<sup>th</sup> DOW Youth Day was a success, though it was not as well attended as in the past. Everyone had a good time. Again, thank you BTB volunteers!

A reminder; **Thursday 3-D shoots continue every week thru the first week in August.** Hope to see you all on the range. Please drop me a note [beckfis@frii.com](mailto:beckfis@frii.com) or give me a call if you have any questions.

Your fellow bowhunter,  
Mike Fiscus

## **From the Secretary's Desk**

Thanks - again - to all of you, we're well on our way to achieving 100 % distribution of our newsletter by e-mail. This considerably reduces drop off and pick up time at Kinko's, the cost of CDs, printing fees and postage. If you haven't already forwarded your e-mail address to me, [Dsmith7136@msn.com](mailto:Dsmith7136@msn.com), please do so at your earliest convenience. Thanks.

**Want a Job??** - Due to increased (job related) time constraints, I'm forced to surrender my position as club secretary effective as soon as a

willing volunteer is able to take over. It's been a privilege to serve and I've really enjoyed the gig these past two years but because of increased hours and unpredictable shift changes at Sportsman's Warehouse (in addition to my standard deadlines) I'm unable to do justice to my club duties. So - if you're interested in maintaining the club membership and posting our monthly newsletter, let me or one of the other club officers know. Sooner is better. Thanks to all of you for your consideration.  
Dennis S.
