## **SAFETY RULES**

- 1. CITY ORDINANCE PROHIBITS USE OF CROSSBOWS AND ANY OTHER WEAPONS.**
- 2. NO BROADHEADS** except at the Broadhead Pit.
- 3. REMAIN AT OR BEHIND THE SHOOTING LINE** until the range is “*CLEAR*” and all shooters on the line are ready to retrieve arrows at the same time. Measured targets are divided into 2 separate shooting lines, one is 10...50 yards, the other 15...45 yards.
- 4. FOLLOW THE FIELD RANGE TARGETS IN SEQUENTIAL ORDER.** Traveling the field range backwards or out of sequence is an unsafe practice! Every orange post at each target shooting station is marked with a number from 1 to 15 to define the sequence.
- 5. SHOOT FROM, OR IN LINE WITH THE TARGET MARKER POSTS.** Targets are provided from 10 yards to 90 meters, so shoot within the prescribed distance for each target.
- 6. BE SURE THE TARGET AREA IS “CLEAR” BEFORE SHOOTING.** Bows should be lowered whenever someone is in front of the shooting station.
- 7. Violation of rules shall be reported to 970-221-6540.**

***FAILURE TO COMPLY WITH ALL RULES MAY RESULT IN BEING REPORTED TO PROPER AUTHORITIES.***

## **SHOOTING ETIQUETTE**

Stop shooting when others on the line are waiting to retrieve arrows.

Confirm that shooting has stopped by making eye contact with other shooters and stating that the range is “*CLEAR*” before proceeding downrange to retrieve arrows.

Limit time searching for arrows if others are waiting to shoot.

Allow faster groups to “walk through” or “shoot through”.

Ensure that target faces are still secured to butts before moving on to the next target. Please leave targets as you would like to find them.

**Please pick up trash and deposit it in the nearest receptacle.**

**Keep this range safe and clean for all of us to continue to enjoy.**
